Kidz Konnection

FBC Watsonville

A NOTE FROM CARRIE.....

You may have noticed that you did not receive your Kidz Konnection for this summer. This has been a different summer for me and I didn't get it written. I apologize!! My son, Johnny, left for the Air Force Academy June 23rd and prior to him leaving we had so much going on!! And to be real honest with you, I was not in "a place" emotionally to write the Newsletter. On July 1st we received his first letter and on July 10th he was given his phone for several hours...that was a good day!! He graduates from Basic Cadet Training on August 4th and my mom and I are flying out to see that spectacular event!! We have received numerous letters from him and he is very homesick and exhausted but doing well. He says he misses us most at meal time!! Please re-

member Johnny (Cadet John Clark) in your prayers and the Clark family wouldn't mind your prayers either as we continue to adjust to our family of four. Savor every moment with your children!! Spend time together as a family making memories that last forever!! I plan on getting out the Fall Newsletter but let me fill you in on our awesome VBS we held from July 10th-14th. We had 65 kids enrolled and of those 65, 15 were guest of FBC families and 17 were from our surrounding community.

Don't forget to mark your calendars for our all church picnic, and Dennis Lee will be here in August/September

I love working with you and your families,
Carrie Clark
